

# Digitizing Fundraiser for the Whippanong Library

Even though our digitizing fundraiser is formally over, you can still have items digitized and benefit the Whippanong Library at the same time. Through the end of the year Digital Memory Media will convert your items and donate 20% to the Library.

**Just call DMM at 732-613-7170, say you want items digitized, and mention the Whippanong Library's June fundraiser.**
