

Dear Library Supporter:

The Whippanong Library is 125 years old this year. In its long history it was in several locations, including the second floor of the Whippany Fire House. It was originally stocked with books donated by the townspeople and staffed by volunteers. It is now in the Municipal Complex at the corner of Route 10 and Jefferson Road. The Whippanong Library is not a municipal public library; it is operated by the 501(c)3 Whippanong Library Association. Although the Library receives about 90% percent of its basic financial support from Hanover Township, it is consistently challenged to provide for the increasing demand for services. Your donation helps fund new and existing quality services and resources, making a difference to the future of your Library, its users, and the community.

This year the Whippanong Library:

- provided museum passes, including the Morris Museum and Grounds for Sculpture
- hosted over 350 programs for more than 3,900 adults, teens, and children
- loaned almost 41,000 print and non-print items that were read, viewed, or listened to
- logged about 10,750 hours by researchers, job seekers, and others on the public computers
- led a successful summer reading program of over 200 readers and pre-readers who participated in a variety of programs from making musical instruments to gardening and learning about healthy eating

The 3D printers were busy too, making items for presentations, product development for entrepreneurs, homework projects, gifts, and more.

The Library worked with and throughout the township and beyond, reading stories at a local daycare and partnering with a range of entities including the Substance Awareness Council, the township's Recreation and Health Departments, Salem Drive School, and Parsippany Toastmasters.

I hope we can count on your support to help the Whippanong Library continue to provide a wide range of services to our community. Thank you.

Sincerely,

Kathleen Sheridan, President  
On Behalf of the Whippanong Library Association Board of Trustees
