

Libraries Need Friends

The Whippanong Library is an association library which is 125 years old this year. Whippanong serves the Hanover Township Community in many ways by providing access to print and digital literature, computers and work stations, Book Clubs, summer reading programs, museum passes and a variety of adult and children's programs and activities. Although the library receives about 90% of its basic financial support from Hanover Township, it is consistently financially challenged to provide for increasing demand for services.

We need your help. Whippanong was originally stocked with books donated by the townspeople and staffed by volunteers. Now Whippanong needs Friends.

Friends of the Library can help Whippanong by

Increasing community awareness

Assisting at library activities

Initiating fundraising activities to help provide services for all patrons

Friends of the Library can have fun!

Friends of the Library participants will become members of a welcoming, caring, and active group who believe libraries are an integral and necessary part of the community.

Yes! I would like to become a **Friend of the Library!**

Please detach form below and return it with your annual dues made out to the Whippanong Library Association and mail or bring it to the Whippanong Library 1000 Route Ten, Whippany, New Jersey 07981
