

TECHNOLOGY AT THE LIBRARY

Here's some of the technology available for you to use in the Library:

- 3D printers (by appointment and a nominal fee)
- fax machine (nominal fee)
- one iMac and seven PCs
- Wi-Fi
- document scanner
- color and black and white printers
- photocopier (nominal fee)
- charging station
- monitor magnifier
- readers of varying strengths

We even have flash drives to purchase in case you leave yours at home.
