

**Dear Library Supporter:**

Your Whippanong Library is 125 years old this year. In its long history it was in several locations and was originally stocked with books donated by the townspeople and staffed by volunteers. Today, it is in the Municipal Complex at the corner of Route 10 and Jefferson Road. The Whippanong Library is an association library and is operated by the 501(c)3 Whippanong Library Association. Although the Library receives most of its basic financial support from Hanover Township, it is consistently challenged to provide for the increasing demand for services. Your donation helps fund new and existing quality services and resources, making a difference to the future of your Library, its users, and the community.

This year the Whippanong Library:

- provided museum passes, including the Morris Museum and Imagine That!!!
- hosted over 480 programs for more than 5,000 adults, teens, and children
- loaned over 62,300 print and non-print items that were read, viewed, or listened to
- logged over 11,000 hours by researchers, job seekers, and others on the public computers
- led a successful summer reading program of over 210 readers and pre-readers who participated in a variety of programs from making musical instruments to gardening and learning about healthy eating

The 3D printers were busy too, making items for presentations, entrepreneurs, homework projects, gifts, and more.

The Library worked with and throughout the township and beyond, reading stories at a local daycare and partnering with entities including the township's Recreation and Health Departments and the Whippany River Watershed Action Committee (rain garden), and the school district.

I hope we can count on your support to help the Whippanong Library continue to provide a wide range of services to our community. Thank you.

Sincerely,

Kathleen Sheridan, President  
On Behalf of the Whippanong Library Association Board of Trustees

*Please detach the form below and return it with your tax-deductible contribution* →
